

RESORT ANNOUNCEMENTS

June 3, 2020

Updates

Wow!! What a difference a week makes! First COVID-19 and now riots! First and foremost, please stay safe!

Again, at Hart Ranch our top priority is to provide a safe, relaxing environment for you and your family to enjoy. We will continue to do everything possible to make sure that happens.

As most of the update information can be found in the various minutes from the meetings below, I won't go into much detail in this section. However, if you are interested, please be sure to register for the upcoming meetings using the links provided in each section below.

And as always, if you have any questions or concerns, please do not hesitate to contact me. We are here to serve our members to the best of our ability. We want everyone to have a relaxing, safe, enjoyable vacation at Hart Ranch!

Stay safe and be well!

Sincerely,

Due to COVID-19 social distancing recommendations, the 2020 Town Hall meeting will be conducted via GoToWebinar. After registering, you will receive dial in information for the meeting. We will be using the "raise hand" function to unmute you and then give you the opportunity to ask your question verbally.

As in the past, we encourage active participation. We also encourage you to bring your questions, along with solutions to this meeting. The Board will note the questions and will use this information for the Workshop on Friday.

We also want to remind everyone, the Board has reviewed all of the survey responses. As was expected, the diversity of answers was great! However, they will be prioritizing and following up with frequently mentioned ideas, suggestions and areas of concern.

A separate invitation will be used for the Annual Membership Workshop on Friday, the Meet the Candidate session on Friday evening, as well as the Annual Membership Meeting on Saturday.

As this is our first attempt for a meeting of this magnitude using this platform, we appreciate your patience and understanding working through any potential technological issues!

ELECTION UPDATE

If you have not voted and would still like to, you can contact Shannon in Member Services at 605-737-5359 to pick up a ballot. You can then drop it off in person at the Lower Lodge on Saturday morning between 8:00 am and 9:00 am.

POOL UPDATE

The opening of the pool is by far the biggest challenge to date in trying to address all the concerns of COVID-19. As of now, we are tentatively scheduling the pool to be open on Friday, June 12th. However, be expecting some significant changes in how this star attraction at Hart Ranch is operated. While we don't have all of the details worked out yet, there will be restrictions based on occupancy levels, accessibility times (length of time you

can use it), disinfecting protocols, staffing levels, pool toys, lounge chair spacing, guest, non-guest as well as member or non-member. Please be patient as we work with CDC guidelines as well as our SD Department of Health guidelines.

This will be a tough one to please 100% of the people, but we will do our best to satisfy as many members as we possibly can!

Sincerely,

Tim Schnabel

Hi Ho, Hi Ho, It's Off to Work We go!

The
Resort

seems to have an endless list of items to do this

summer.

The new wall along the Family Rec Center is really shaping up.

The work on the new Basketball Court is almost completed and we will be opening the Court soon!

Bus transportation to Mount Rushmore!

Fireworks once again will light up Mount Rushmore over the Fourth of July. Hart Ranch is offering buses for transportation to the fireworks display on July 3rd!

Now, there are some caveats. Like the bus company is not 100% sure they will be allowed to transport people to the display given the amount of increased security and traffic that will be in the area since the President of the United States plans to attend. Not to mention the aspect of social distancing on a bus!

However, in the meantime, if you are interested in participating in this historic event and would like to take a bus from Hart Ranch to Mount Rushmore, please call Gerry in the Activities Department at 605-737-5364 to get your name added to the list!

(As the buses are not cheap to rent, we will be charging \$35/person for this service.)

COVID-19

Recommendations to protect yourselves and others:

Wash your hands often

- Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.
- Avoid touching your eyes, nose, and mouth with unwashed hands.

Avoid close contact

- Avoid close contact with people who are sick, even inside your home. If possible, maintain 6 feet between the person who is sick and other household members.
- Put distance between yourself and other people outside of your home.

- Remember that some people without symptoms may be able to spread virus.
- Stay at least 6 feet (about 2 arms' length) from other people
- Do not gather in groups.
- Stay out of crowded places and avoid mass gatherings.
- Keeping distance from others is especially important for people who are at higher risk of getting very sick.

Cover your mouth and nose with a cloth face cover when around others

- You could spread COVID-19 to others even if you do not feel sick.
- Everyone should wear a cloth face cover when they have to go out in public, for example to the grocery store or to pick up other necessities.
 - Cloth face coverings should not be placed on young children under age 2, anyone who has trouble breathing, or is unconscious, incapacitated or otherwise unable to remove the mask without assistance.
- The cloth face cover is meant to protect other people in case you are infected.
- Do NOT use a facemask meant for a healthcare worker.
- Continue to keep about 6 feet between yourself and others. The cloth face cover is not a substitute for social distancing.

Cover coughs and sneezes

- If you are in a private setting and do not have on your cloth face covering, remember to always cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.
- Throw used tissues in the trash.
- Immediately wash your hands with soap and water for at least 20 seconds. If soap and water are not readily available, clean your hands with a hand sanitizer that contains at least 60% alcohol.

Clean and disinfect

- Clean AND disinfect frequently touched surfaces
- If surfaces are dirty, clean them. Use detergent or soap and water prior to disinfection.
- Then, use a household disinfectant.

Minimize use of public facilities

- Try to avoid showering in Comfort Stations. If possible, please use shower and restroom facilities in your camper or cabin.
