WELCOME to Hart Ranch Camping Resort

Hart Ranch Camping Resort continues to be one of country's premier destination RV Resorts. This doesn't come by chance! Every day, the staff and management of Hart Ranch are dedicated to making your vacation experience like no other. Our focus will always be providing an exceptionally safe and relaxing camping experience for our members and their guests while creating a fun and exciting atmosphere giving anyone who visits memories to take with them for a lifetime!

We do this by providing the cleanest accommodations that we possibly can while delivering service that will leave you wanting to come back as soon as you can! On-going customer service training, combined with on-going departmental operational reviews give our staff and management the tools to make continuous process and quality improvements. Each year presents new opportunities, services and activities available for our members, their families and their guests to enjoy. 2022 will be no exception in offering a new slate of features!

The best compliment we can receive is for you to share your

experience with a friend or family member and encourage them to also visit and join the Hart Ranch family! We promote an open-door policy that allows our members the opportunity to provide feedback on where they would like to see changes in amenities, services and activities offered at Hart Ranch. Our best ideas come from our members!

Recent years have proven the camping industry to be a very resilient one—whether it's a pandemic or economic shift. Hart Ranch Camping Resort has embraced this resiliency and the demand that it has brought on our occupancy levels. With that, the Board of Directors, with input from our Expansion Committee, is looking forward to the possibility of increasing the number of sites and cabins available through our Southern Expansion project. For more information on the status of this project and all it has to offer, please contact a member of management. We are certainly looking forward to the opportunity to serving even more members and their families!

From all the staff, the management and the Board of Directors, we look forward to serving you now and well into the future! If there is ever anything that we can do for you, please don't hesitate to ask!

Sincerely,

Tim Schnabel

THE LEGEND of Hart Ranch

His name was John Harrison Hart, and he settled the ranch in the 1880s. It is only fitting that this land bares his name today. Hart was straight from the pages of Old West history, and he carved out his ranching empire while Wild Bill Hickok and Calamity Jane roamed the streets of Lead and Deadwood.

There is much about him, which is legend, but far more which is fact. This bull driver, Civil War fighter, scout, pioneer, and frontiersman blazed a reputation remembered even today by those who live around the ranch. The legend says he arrived in the Black Hills with only \$15 in his pocket and survived the first winter by chopping wood for 75 cents a cord. The facts show his hard work, entrepreneurial skills, and innovative mind parlayed what little he had into a successful freight line from Pierre to Rapid City and Cheyenne, Wyoming.

The legend says he never learned to drive a car, even though he lived to see World War II. The fact is that you still can find people who remember driving him around his ranch when – too old to ride a horse or wagon anymore – he just couldn't stand being away from the land he loved.

The final chapter of our story is the purchase of the 13,000-acre Hart Ranch in 1983 and the construction of the Camping Resort. In 1984 the membership was deeded for the 195-acre resort. There are several companies associated with the Hart Ranch name – Hart Ranch Golf Course and Hart Ranch Development Company. The Hart Ranch Camping Resort Club is an independent and separate corporation.

CHECK-IN/CHECKOUT Information

Check-in time for an RV or tent site is 2:00 PM.
Check-in time for cabins is 3:00 PM.

Resort activities information can be found on our cable channel 23, on our website at HRResort.org, on our app, Facebook page, or on our activities schedule available in the main lodge.

The speed limit is 10 MPH. Let us keep our children and pedestrians safe. Speeding fines will apply.

Quiet hours are from 10:00 PM to 7:30 AM.

Parking is limited to designated paved and gravel areas. Please do not park on the grass.

Pets are restricted to the south side of the resort, the dog run, Meadowlands, tent area and hiking trail. Leash laws are always in effect. Please clean up after your pets so we can all enjoy the grounds.

Tents must be off the grass from 9:00 AM to 7:00 PM (except in the designated tenting area). Limit two tents per site.

Sealed connections are required for all sewer hookups.

Alcohol is allowed at your site or unit, designated picnic shelters and at Hart Ranch hosted events.

Checkout time is 11:00 AM.
Late fees will apply.

Wood fires are prohibited at your site. However, propane fire pits, charcoal and propane grills are allowed.

Do not tie hammocks, clotheslines, pets, exercise bands, swings, bird feeders, or any other item to the trees, picnic tables, electrical posts, and other resort property.

Dispose of all garbage in the containers provided throughout the resort. Recycling bins are located at the entrance of the storage yard for glass, plastic, aluminum, and cardboard.

Please pick up after your pets, family and guests. This will help keep your maintenance fees low!

Be respectful of your fellow campers. Refrain from walking through campsites. Please use the roads.

If you are expecting visitors to your site/cabin, please notify the Welcome Center at 605-737-5370.

If you have a pet fence, please do not extend it by more than 2 feet onto the grass next to your site. In addition, please rotate it from one location to another to prevent the grass from being impacted.

Roy's Special Factoids...

Roy's is the first ALL-DIGITAL drive-in in America, with 4,096 x 2160 pixel projection. That's a lot of sharpness.

Roy's has the largest drive-in screens in America, 80 feet wide!

Roy's has been 8 years in the making. Roy's started as an idea and an open field. It's been a long haul, but we hope you find it as well worth it as we have.

And, as we continue to learn more and more about bringing the drive-in experience into the digital age, we thank every one of you for coming along for the ride.

Here's wishing you all just a whole lotta fun tonight!

UPPER & LOWER Lodges

The Main Lodge at Hart Ranch Camping Resort continues to be the hub of communication and support services for members and staff alike.

The Upper Lodge features our Guest Services team composed of Reservations staff, check-in/out desk, copy/fax services, local event and tourist information as well as our Mailroom. In addition, we have transformed the "Board Room" (room behind the fireplace) into our new, and growing, sales office. You will also find our Bookkeeping staff and Resort Manager housed in the Upper Lodge.

The Lower Lodge is a place of respite for adult members of Hart Ranch. During the peak season, this is a great place for those 18 and over to enjoy a little TV, card games, puzzles, a game of pool or book reading from our honor library. You'll also find our guest computers and printer, laundry room and men's and women's showers and restrooms in the Lower Lodge. And for those cash-short times and munchy cravings, we also have an ATM and vending machine located here. During the off-season, there is even a kitchen available for rent for private get-togethers.

Our Members Services Coordinator is available for member cards, storage information, maintenance fee payments and tons of other information is now located in the Lower Lodge as well as our Human Resources Director.

FAMILY Rec Center

FAMILY REC CENTER HOURS:

Activity equipment is available from 8 am –10 pm daily
from Memorial Day through Labor Day.

Hours and availability of equipment during the off-season are limited.

The newest addition to Hart Ranch is the Family Rec Center with exciting games and entertainment for the whole family! Enjoy ping pong, pool, air hockey, darts, foosball and numerous other games. Sign up for our popular Kamp Kool programs based out of the Family Rec Center. The new Lego room will provide hours of creative building projects. Tennis rackets, basketballs, mini-golf and pickleball supplies, frisbee

and pasture golf equipment are available for check out. Looking to rent a golf cart or bicycle? Yep, it's all at the Family Rec Center!

To better serve our members and provide a place of respite for our adults, we will once again be limiting the access to the Lower Lodge to ages 18 and over. This will be effective right away and will remain this way through the peak season. We encourage

all our families and youth to enjoy their time in the Family Rec Center, now open 7 days a week throughout the summer.

We would also like to remind everyone of the rules that have been established in the Family Rec Center. These rules are designed to maintain the RC as an enjoyable, safe and welcoming place for all kids and their families:

- No profanities, crude gestures or music other than what is being played in the Family Rec Center
- Kids under the age of 8 must be accompanied by a responsible person at least 14 years of age or older.
- All guests must be respectful of the equipment, staff and other members.
- Not following these rules will result in removal from the Rec Center.
- If any unacceptable behavior is witnessed, please report it to a staff member or other adult.

We appreciate your cooperation in continuing to make Hart Ranch Camping Resort a fun and enjoyable experience for everyone!

BLACK HILLS Map

THE BLACK HILLS

When cavalry Colonel George Armstrong Custer first entered the Black Hills in 1874, he found a strikingly beautiful land filled with mountain meadows, granite spires and thick ponderosa forests. Nearly 140 years later, visitors to the Black Hills can still enjoy the same adventure, free roaming wildlife and breathtaking views that so impressed the explorers who came here so long ago.

With two million acres spanning a region of 120 miles long and 60 miles wide, it's practically an adventure just figuring out where to begin exploring the Black Hills. After all, this region is home to the highest concentration of public parks, monuments, and memorials in the nation.

MOUNT RUSHMORE NATIONAL MEMORIAL

One of the nation's most recognizable icons, Mount Rushmore, depicts the faces of George Washington, Thomas Jefferson, Theodore Roosevelt, and Abraham Lincoln, on the side of a granite mountain. You can walk all the way to the base of the massive memorial on the Presidential Trail, although a stop in the Borglum Museum first is a good way to learn more about the mountain's symbolism and history.

WIND CAVE NATIONAL PARK

Guided tours of the sixth-longest cave in the world are the most popular feature of this park north of Hot Springs. In fact, adventurous explorers can sign up for the Wind Caving Tour, a four-hour excursion through the most remote areas of the cavern. Adventures await park visitors above the ground as well, where 28,295 acres of mixed-grass prairie and pine forest support a network of hiking trails and abundant wildlife. Bison, elk, pronghorn antelope, mule deer, coyotes and prairie dogs all inhabit Wind Cave National Park, making it the perfect stop for photographers and nature-lovers.

BADLANDS NATIONAL PARK

Almost a quarter million acres of eroded buttes, jagged peaks and sandy plateaus make Badlands National Park one of the most striking landscapes in the world. Sunsets and sunrises are especially beautiful times of the day, casting hues of pink, yellow and orange against the rock walls. Wild bison, coyotes, bighorn sheep and prairie dogs roam freely within the park's borders.

DEVILS TOWER NATIONAL MONUMENT

Rising 1,267 feet straight out of the prairie, Devils Tower is perhaps best known for its role in Steven Spielberg's movie, "Close Encounters of the Third Kind." Designated as the nation's first national monument by President Theodore Roosevelt in 1903, Devils Tower is one of the most challenging rock-climbing destinations in the country. A number of less-strenuous hiking trails surround the tower itself, which rests along the red banks of the Belle Fourche River in northeastern Wyoming.

CUSTER STATE PARK

This 71,000-acre nature preserve is the home of several camping facilities and rustic lodges, including the state Game Lodge, dubbed the "Summer White House" in 1927 when President Calvin Coolidge spent three months vacationing here with his family. Several lakes and streams provide fantastic fishing, while the 1,500 head of bison that call this place home – one of the largest publicly-owned herds in the world – put on a fantastic show during the annual Buffalo Roundup.

CRAZY HORSE MEMORIAL

Crazy Horse Memorial® Is located in the heart of the beautiful Black Hills. The elevation on the Mountain is 6,532 feet above sea level and ranks 27th highest mountain in South Dakota. It is made of pegmatite granite and was chosen by Sculptor Korczak Ziolkowski & Lakota Chief Henry Standing Bear for the Crazy Horse Memorial®.

THE MICKELSON TRAIL

Converted from former railroad beds, the 109 miles of the Mickelson Trail bisects the entire length of the Black Hills, connecting Deadwood to Edgemont and passing through many central Black Hills communities along the way. In the summer it's used for hiking, mountain biking and horseback riding, and in the winter months it turns into a groomed snowmobile trail. Tunnels, waterfalls, ruined mining buildings and ghost towns are among the many sights of interest along the trail.

DEADWOOD

There was a time when it wasn't safe to walk the boardwalks of the wildest town in the West, but that was a hundred years and a dozen gunfights ago. This is the town that welcomed Wild Bill Hickok, then wept when he was gunned down holding aces and eights, forever after known as the "Deadman's Hand." This is the place that witnessed the one-woman cyclone known as Calamity Jane, who claimed she could out-shoot, out-spit and out-swear any man, and usually did. Today, both are buried side-by-side in Deadwood's "Boot Hill." Visitors now encounter brick streets, period lighting, old-time trolleys, Victorian facades and one of the largest historic preservation projects in the world, all fueled by an unlikely benefactor – limited stakes gaming, complete with poker, blackjack and the notorious one-armed bandits.

SPEARFISH CANYON

The breathtaking limestone palisades of this creek-carved gorge are more ancient than the Grand Canyon – albeit much closer together. The narrow walls of Spearfish Canyon, which rise up to 1,000 feet above the creek bed, are among the most spectacular scenery in the Black Hills. Cascading waterfalls quench the thirst of quaking aspen, gnarled oaks, sweet-smelling spruce and the ubiquitous ponderosa pine, which grow right off the edges of rocky precipices. The diverse array of plant life provides a comfortable home for deer, mountain goats, porcupines and bobcats. The canyon was accessible only by horseback until a railroad line to Deadwood was completed in 1893. When a flood in 1933 all but destroyed the tracks, a motorway was built right on top of the old rail bed.

Today, this road is US 14A, one of America's few scenic byways. The highway continues through the canyon for nearly 20 miles, affording visitors views of both its pristine natural wonders and its historical treasures. Near the middle of the canyon is the old sawmill town of Savoy, which provides a jumping off point for several scenic hikes and forays into ancient mining and logging camps. Further up the canyon is Cheyenne Crossing, the point where the gold-rush era Deadwood-Cheyenne stage line crossed Spearfish Creek.

CENTENNIAL TRAIL

Marking the 100th anniversary of statehood, 1889 - 1989, the 111-mile Centennial Trail represents the diversity of South Dakota. The Trail crosses prairie grasslands near Bear Butte State Park and climbs into the Black Hills, high country, skirting lakes, and streams until it reaches Wind Cave National Park near Hot Springs. The Forest Service, Bureau of Land Management, National Park Service and South Dakota Department of Game, Fish and Parks have combined their efforts to develop this Trail for you to enjoy.

Approximately 22 miles of the trail are located within Custer State Park. This trail offers opportunities to view the natural and cultural resources of the Black Hills.

Three trailheads provide access points to Custer State Park's portion of the trail. The trail is marked with a combination of brown fiberglass posts and gray diamonds fastened to trees. This trail is also used by horse riders and mountain bikers.

The Centennial Trail was officially opened in June 1989, in commemoration of the South Dakota centennial.

A promotional graphic for a morning show. On the left, the text "GOOD MORNING BLACK HILLS" is written in large, bold, yellow and white letters. Below it is a red and white logo that says "KEVN Black Hills FOX". At the bottom left, the name "MIRANDA O'BRYAN" is written in white, with "EVERY MORNING!" in yellow below it. On the right side of the graphic is a portrait of a smiling woman with long brown hair, wearing a white top. At the bottom right, the text "WEEKDAYS AT 7:00AM" is written in large, bold, red letters. The background is a solid blue color.

BLACK HILLS NATIONAL FOREST Motorized Trail System

There are 1.2 million beautiful acres of the Black Hills National Forest in western South Dakota. And off-road enthusiasts can access and enjoy many thousands of those acres by using the Black Hills National Forest Motorized Trail System – consisting of over 3,600 miles of roads and over 600 miles of trails for ATV, UTV, and other off-road riders. Included are 90 miles of single-track trails for motorcycles; 347 miles of trails for vehicles 62 inches and less in width in South Dakota; and 72 miles of trails for vehicles 50 inches and less in width in Wyoming. There are also 148 miles of trails open to all. The system incorporates many looped trails and includes parking access from 20 trailheads.

It is important to obtain the most current Black Hills Forest Service map when you come to the Black Hills to ride. The map is updated annually to correct mapping errors, add newly constructed motorized trails, or remove motorized trails that are in timber sale areas. Routes are not always signed on the ground but will be identified on the map. It is your responsibility to stay on the designated trails.

With the Motorized Trail System, the Black Hills National Forest is closed to cross-country travel unless designated open, meaning it is illegal for most users to travel off the designated trails. The Black Hills National Forest encourages all motorized users to follow the Tread Lightly! Pledge Travel and recreate with minimum impact. Respect the environment and the rights of others; Educate yourself – plan and prepare before you go. Allow for future use of the outdoors – leave it better than you found it. Discover the rewards of responsible recreation. ATVs in South Dakota are governed by state motorcycle law. There is no minimum age or license for off-road drivers; however, manufacturer's operator guidelines should be followed. On-the-road drivers need a valid driver's license and a licensed ATV. ATV use is prohibited on the interstate highway system.

For current and downloadable Motor Vehicle Use Maps (MVUM) and related documents and files, including a question and answer sheet, searchable legend and map text, and other user aids or by visiting on the motor vehicle use map (MVUM) section on the Black Hills National Forest website.

Trail system fees are \$20 a week per vehicle or \$25 for an annual pass. Motorized trail permits

to use the system are available at Forest Service offices, outlets and online.

Forest Service offices are open from 8 a.m. to 4 p.m. weekdays. For folks arriving during the weekend, permits are available at Black Hills Visitor Information Center, located at I-90, Exit 61. Hours at the visitor center are 8 a.m. to 5 p.m. daily year-round. During the summer season, hours are from 8 a.m. to 6 p.m.

A permit is required on each vehicle on the trail system, and all motorized trail permits are non-refundable and non-transferable. A free map is provided with each permit purchased. Users should check with their local Forest Service office if they have further questions about the map and/or permits.

Another popular riding area for dirt biking and ATV riding is located on the north edge of the Buffalo Gap National Grasslands, south of Farmingdale. The dirt bluffs and grassy knobs at the Railroad Buttes ORV Area are filled with challenging trails and jumps. Go only when it's dry; in wet weather, this area is a quagmire of slippery, super-sticky clay that locals call "gumbo."

For further information please examine the rules for off-highway vehicles in South Dakota state parks. For OTV riding in Buffalo Gap National Grasslands & other National Grasslands. You can also check out information posted by the local off-road organization.

FAQs

How do I know if I have a compatible device?

- » If the device has a web browser it should be compatible. If you have any questions regarding compatibility, please consult your devices manufacturer's manual for further information.
- » Not all smart TVs are compatible, so be sure your smart TV is capable of connecting to Wi-Fi networks. Please walk through your on-screen prompts prior to purchase to verify compatibility.

Is the Wi-Fi secure?

- » Your connection to the Hart Ranch Wi-Fi Networks is intrinsically safe. Connected Network device are unable to share information or otherwise be compromised by other connected network devices.

How much bandwidth should I have?

- » This is certainly subject to your device's antenna and ability to receive Wi-Fi in or around your location. We have set the minimum level of bandwidth at 10mg down and 5mg up. This, however, is operating in perfect conditions without interference. Gaming and/or excessive streaming may result in slow download and upload speeds.

What if my Wi-Fi connection drops?

- » Wi-Fi by nature may drop from time to time due to several factors ranging from weather, other devices, or your device losing connection. If you have recently rebooted your device or returned to the campground and your device does not re-establish on it its own, you may need to go to your Wi-Fi settings and connect to the Hart Ranch network again. If this does not work, please go to Wi-Fi, and click forget this network and re-establish again.

The internet doesn't work inside my RV and only works outside my RV.

- » If this is occurring, then the network is working properly. In some cases, depending on the construction of your RV, signals can be blocked inside the RV. This happens more frequently on metal or aluminum sided RV's. This type of siding can either block or minimize the Wi-Fi signal.
- » This issue in most cases can be remedied by purchasing and installing an antenna, which are available for purchase at a local retailer.

I can only get a few TV channels, or my channels are grainy/fuzzy.

- » If you cannot get all of your TV channels, perform a channel scan so your television can acquire all of the channels offered at Hart Ranch.
- » If your channels are fuzzy, make sure your antenna amplifier is shut off. This generally is a small button next to the main cable jack in your RV.

HELPING PROTECT THE JOURNEY

Your single source for insurance

Whether you enjoy relaxing indoors or exploring the great outdoors, your local Farmers agent can offer you a policy that provides the coverage and value you want for all your adventures.

Full-Timer Coverage

Provides liability protection very similar to a homeowners policy when the RV is parked and being used as a residence.

Superior Service

You can report a claim, 24 hours a day, 7 days a week, including holidays. Our highly trained claims adjusters will quickly resolve your claim. Phone: 800-435-7764

Flexible Payment Options

Because every customer's budget is a little different, we offer several flexible payment plans, deductible options and limits to help keep premium payments affordable.

Total Loss Replacement coverage

To protect you from the effects of depreciation. In the event that a new-model RV is damaged beyond repair within its first five model years, and you are the original owner, we'll pay to replace it with a brand new one of similar kind and quality. This option can save you literally thousands of dollars when compared to other policies that only pay Actual Cash Value (ACV) of the RV at the time it's destroyed. (Restrictions and qualifications apply.)

Flexibility

We design specific policies to fit each product. This gives you the insurance coverage you want that fits you and your needs.

We Cover

Many types of travel trailers:

- High-value and lower-value
- New and old travel trailers
- Fifth-wheels
- Pop-up campers
- Luxury travel trailers
- Full-timers
- Truck-mounted campers
- Tiny House

We Also Cover

- Auto - Home - Life
- Motorcycle - ATV - Snowmobile
- Boat - Personal Watercraft
- Landlord - Rental - Vacation Rental
